

# HEALTHY LIFE STARTS WITH PURE WATER

## FERROUSFREE Iron Remover

### Features

- FRP - Hi Endurance Vessel
- Max Operating Pressure: 10 Kg/cm<sup>2</sup>
- Test Pressure: 11 Kg/cm<sup>2</sup>
- Min/Max Temperature: 1°C/50°C
- GF-ABS Fully Automatic Multiport Valve
- Study Disc Strainers
- Oxyrich Multi-layer Media

## AQUASOFT Softener

### Features

- FRP - Hi Endurance Vessel
- Max Operating Pressure: 10 Kg/cm<sup>2</sup>
- Test Pressure: 11 Kg/cm<sup>2</sup>
- Min/Max Temperature: 1°C/50°C
- GF-ABS Fully Automatic Multiport Valve with ejector assembly
- Sturdy Disc Strainers
- Auchtel Polystyrene Resins

## SPARKLE - CT

Advanced Reverse Osmosis Purifier with **HEXAPURE** Technology

### Features

- Flow Rate: 10 - 12 LPH
- Fully automatic unit
- 6 stage purification process
- TFC Membrane - 75 GPD
- Kemflo 48V diaphragm pump
- Auto shut off valves
- Antiscalant Protection
- Post UV System - Optional
- Auto flush - Optional

Advanced RO Purifier with **HEXAPURE PLUZ** Technology

### Features

- Flow Rate: 10 LPH
- Fully automatic unit
- 7 stage purification process
- TFC Membrane - 75 GPD
- Kemflo 48V diaphragm pump
- Auto shut off valves
- Antiscalant Protection
- Bio-Ceramic Cartridge
- Post UV System - Optional
- Auto flush - Optional

## SPARKLE - CTX

Trust  
**MORF**<sup>®</sup>  
South India's Leading Water Purification Conglomerate

## SPARKLE - HF Hi Flow RO Purifier

### Features

- Model: HF-SA-50
- Flow rate: 50 LPH
- 7 stage purification System
- TFC Film Tec Membrane- 100 GPD-4 Nos
- Post UV System
- Stainless Steel Skid
- Kemflo Pump
- Antiscalant Protection

## Commercial Mineral Water Plant

## PLC Based Reverse Osmosis System

## Multiple Filtration and Softening Plant

## Our Range of Semi and Fully Automatic Products

- Pressure Sand Filters
- Activated Carbon Filters
- Macro Filters
- Iron Remover Units
- Softeners
- Domestic RO Purifiers
- PLC based RO (Sea Water / Brackish Water) systems
- Packaged Drinking Water (Mineral Water) Plants
- UV sterilizers / Ozonators
- De-Mineralizer Plants
- Chemical Dosing Systems / Water Pumps
- Waste Water (Sewage / Effluent) Treatment Plants
- Membrane Bio Reactors / Electrodeionizers
- Swimming Pool plants / Dealkalizers
- Ultra and Nano Filtration systems
- Hydro-Pneumatic Pressure Boosters
- Recycling / Zero Discharge Plants
- Water Treatment chemicals
- Lab Analysis- Raw Water / Sewage / Effluent / Sludge
- Feasibility and Treatability studies
- AMCs / O&M contracts

## The MORF Advantage

- ISO 9001 : 2000 certification from SWISO, Switzerland
- Credit Rating from CRISIL - S & P
- Public Limited Company
- Vertically Integrated Organization
- 10 years in the market
- Over 5000 customers across South India
- Wholesome solutions to all water problems
- Technologically Advanced High Quality Products
- Over 100 standard models (Domestic / Industrial)
- Safe / Food Grade Plastics used in the products
- 24-Hours Help Line for enquiries and complaints
- Holiday Service
- All-inclusive GUARANTEE for standard products
- Multiple Payment Options (Cheques / Credit Cards / Finance)

## Certifications and Corporate Memberships

**Corporate & Registered Office:** 3/3, Sarojini Street, Mahalingapuram,  
Chennai - 600 034. Ph: +91-44-4545 6666 (20 Lines) Fax: +91-44-4212 3036

**Enquiry Helplines: 99412 66666**
